INVITATION FOR TENDERS

Contract title: Section Beli Manastir - Osijek - Svilaj: "Drava Bridge - Osijek Interchange"

This Invitation for Tenders follows an updated General Procurement Notice for this project which was published on the EBRD website, Procurement Notices (www.ebrd.com) on April 25, 2014; on the “Development Business” website (devbusiness.com) on April 29, 2014; “Hrvatske autoceste” website, Procurement notice (www.hac.hr) on April 28, 2014; “Official Journal of European Union” website on April 30, 2014; in Croatian daily newspaper “Jutarnji list” on April 29, 2014; in Croatian Official Gazette “Narodne novine” on April 30, 2014.

“Hrvatske autoceste” d.o.o. (HAC) (hereinafter “the Employer”) intends using part of the proceeds of loan savings from the European Bank for Reconstruction and Development (the Bank) towards the cost of “Corridor Vc Completion Project” (in Republic of Croatia) - (hereinafter “the Project”).

Tendering for contract to be financed with the proceeds of a loan from the Bank is open to firms and joint ventures of firms from any country.

1. The Employer now invites sealed tenders from contractors for the following contract to be funded from part of the proceeds of the loan:

- **A5 Motorway Subsection (Beli Manastir - Osijek - Svilaj):**
"Drava Bridge - Osijek Interchange"
(in a total length of 3.8 km)

2. Technical Specifications of the section

The 3.8 km long sub-section is located between the Drava Bridge (presently under construction) and the existing Osijek interchange. The Tender Documents include construction works on the main route of the motorway, road crossing Petrijevcı (991m) with 72 m long overpass with four spans, Josipovac viaduct, 294 metres long with 9 spans on the motorway route, internal and external drainage and side roads. Fill material for the motorway embankment can be partly sourced from the existing sand deposits located on the northern bank of the Drava river and partly sourced from other locations selected by the Contractor.

3. Planned construction period is 730 days from the commencement date.

4. Qualification Criterias

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

4A. General Experience: The Tenderer shall meet the following minimum criteria:

(a) average annual turnover as prime contractor (defined as billing for works in progress and completed) over the last five (5) years of EUR 30.000.000,00 equivalent;

(b) successful experience as prime contractor in the execution of at least two (2) projects (each with a value of at least 12.500.000,00 EUR) of a nature and complexity comparable to the proposed contract within the last five (5) years. The similarity shall be based on the complexity, methods/technology or other characteristics as described in Volume II.

(c) Joint Venture Requirements

Joint Ventures must satisfy the following minimum qualification requirements:

(i) The lead partner shall meet not less than 50 percent of all the qualifying criteria for general experience and financial position specified above.

(ii) The other partners shall each meet not less than 25% of all the qualifying criteria for general experience and financial position specified above.

(iii) The Joint Venture must satisfy collectively the criteria for personnel and equipment capabilities and financial position stated above, for which purpose the relevant figures for each of the partners shall be added to arrive at the joint venture's total capacity. Individual members must each satisfy the requirements for audited balance sheets and litigation.

4A.1. Specific experience: The Tenderer should have executed of a minimum of:

1. Execution of concrete viadukts and concrete bridges in quantity of at least 8.500,00 m²/year **over the last 5 years**
2. Execution of asphalts courses in quantity of at least - 50.000,00 m²/ year **over the last 5 years;**

4B. Financial Position. The Tenderer shall demonstrate that it has access to, or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means sufficient to meet the construction cash flow for the contract for a period of 3 months, estimated as not less than 3.000.000,00 EUR equivalent, taking into account the Tenderer's commitments for other contracts.

NOTE: Required equipment capabilities, personnel capabilities and previous projects completed experience are stated in the Tender Documentation.

5. Tender documents may be obtained at the address below every working day from 8 am to 4 pm (following Croatian local time) starting on **October 1, 2014**, upon payment of a non-refundable fee (excluding VAT) of HRK 760,00 or (excluding VAT) amount of EUR 100 to the giro account (for all tenderers is the same) of the Employer opened at:

“Privredna banka Zagreb” d.d.

IBAN No.: HR87 2340 0091 1100 2359 5

SWIFT (BIC) address: PBZGHR2X

Purpose: “Fee for the Tender. Docs. - "Section: Drava bridge - Osijek Interchange" -
VAT number of Tenderer

6. Upon receipt of appropriate evidence of payment of the non-refundable fee, the documents will promptly be dispatched by courier; however, no liability can be accepted for their loss or late delivery. In addition, if requested, the documents can be dispatched electronically after presentation by the prospective tenderer of an appropriate evidence of payment of the non-refundable fee. In the event of discrepancy between electronic and hard copies of the documents, the hard copy shall prevail.

7. All tenders must be accompanied by a tender security of 420.000 EUR or an equivalent amount in HRK converted at the selling rate established by the Croatian National Bank at the date 28 days prior to the Tender submission date.

8. Tenders must be delivered to the office at the address below on or before **November 18, 2014, 2014 at 10 am (following Croatian Local Time)** on the following address:

*“Hrvatske autoceste” d.o.o.
Address: Širolina 4, 10000 Zagreb, Croatia
(Attn. Mr. Igor Guja, Head of Financial Market Division)*

at which time they will be opened in the presence of those authorised tenderers’ representatives who choose to attend (tenderers are required to submit written authorisation before start of the public tenders opening procedure). A register of potential tenderers who have purchased the tender documents may be inspected at the address below.

9. Prospective tenderers may obtain further information from, and inspect and acquire the tender documents at the following office:
